Canva

CREATIVE FIELDS

Logo Design

Branding

Layout Design

Social Media Design

Digital Imaging

The background is a dark purple field filled with small, glowing pink plus signs. In the center is a pixelated, smiling face. The face has a wide, open mouth with a white interior and pink tongue. The eyes are represented by two horizontal white bars. The face is rendered in shades of pink, purple, and white. The text "SOCIAL MEDIA" is written across the middle of the face, in a bold, yellow, pixelated font with a white outline. The text is slightly offset to the right, with the word "SOCIAL" on the left and "MEDIA" on the right, with the face's mouth and eyes visible behind the letters.
